

Philatelic subscription

The philatelic subscription is the easiest form of collecting philatelic items issued throughout the calendar year, excluding special issues.

By ordering the philatelic subscription for the entire year, the Customer has the guarantee of receiving the philatelic items regardless of the quantity they are issued in.

Philatelic items included in the subscription are sold in the following groups:

- A** – non-cancelled stamps (mints);
- E** – cancelled stamps;
- C** – postcards and postal stationery;
- S** – first day covers (FDC);
- D** – imprints of commemorative cancellations.

A subscription fee and a subscription deposit are collected when the order is taken.

1. The subscription fee is fixed, non-refundable and collected for each subscription unit, understood as all philatelic items of the given subscription group issued by Poczta Polska S.A. throughout the calendar year. The amount of the subscription fee is as follows:
 - PLN 4.92 – value added tax (VAT) has been added to the subscription fees as per the applicable rate.
