

“MySTAMP”

Definition of a service

The service consists in imprinting (at customer expense) on the module of postage the design proposed by the customer (image, drawing, text or other content such as logo or trademark). The options of using personalised postage are different, depending on the event or events that are commemorated on the postage, for example:

- advertising,
- corporate anniversary,
- an invitation to the ceremony / event
- promotion of local governments / promotion of regions
- product / service advertisement
- wedding,
- First Holy Communion,
- Birthday / name day,
- Grandmother's Day / Grandfather's Day

“MySTAMP” becomes the property of the customer and can be freely used, including the payment for postal service.

The minimum quantity for sale is one sheet containing 9 personalised postages. The nominal value of one postage corresponds to the tariff for delivery of unregistered economy mail in the domestic traffic, format “A” up to 350 g.
